

Upland Hills School

Where every child is a genius

Dear Friend,

Upland Hills School was founded in 1971. It is an independent, alternative learning environment for children ages four through fourteen. It is a place where every child is considered a genius, and where the true function of education is to draw out that genius. The school is located on twelve acres of woods and meadows in northern Oakland County - a special place where learning to understand is at the heart of all instruction and where childhood is protected and nurtured.

We are currently approaching the time of year that we hold our annual Auction, which is an important part in keeping the future of the school alive. It assists in raising over ten percent of our operating budget and supports our tuition assistance fund. The school is committed to maintaining a moderate tuition, affordable to a diversity of families.

The Auction is a popular event where people have the chance to enjoy fabulous food and exceptional entertainment, while bidding on exciting silent and live auction items. It is a great opportunity for businesses to market their goods and services to our extended community.

The *"Hand in Hand"* Auction will be held on Saturday, April 17, 2010. Please support the extraordinary work happening at Upland Hills School by contributing to this year's event. Your contribution to our silent or live auction would be truly appreciated.

Your donations are tax-deductible to the full extent of the law. Upland Hills School is a tax-exempt, non-profit 501(c) (3) organization. Please feel free to visit our website, www.uplandhills.org.
